

SKYDRA'S UNITY THROUGH NOURISHMENT (S.U.N.)

PROJECT NUMBER: 2024-1-EL02-ESC30-SOL-00023557IU-000230927

A community initiative led by young people

The S.U.N. Initiative was created in response to food insecurity in Skydra, with the aim of offering support rooted in dignity, respect, and solidarity. The project brings together young people, volunteers, and local partners to address immediate needs while strengthening community bonds.

What the initiative stands for

- Support for individuals and families facing food insecurity
- Inclusion of refugees, migrants, and vulnerable groups
- Youth-led action and intergenerational cooperation
- Community solidarity and shared responsibility

What we do

- Organise a community breadline providing nutritious food in a welcoming environment
- Collaborate with schools, churches, local businesses, and community organisations
- Mobilise volunteers and encourage active participation
- Share knowledge and results through a project website, brochures, posters, and a practical handbook

Why it matters

S.U.N. is not only about food; it is about connection, empathy, and collective care. Through cooperation and local engagement, the initiative contributes to a stronger, more inclusive community in Skydra.
